

PACIFIC ROWING CLUB
MASTERS VOLUNTEER AGREEMENT

This is to certify that I, _____, have the time and interest to commit to assist the Pacific Rowing Club (“PRC”) as a “Master” rower, and will provide my time and experience to benefit junior rowers. I also certify that I am experienced in the sport of rowing and need and expect no supervision from the PRC. I will make a \$250 payment to PRC in my first year as a Master rower, and \$25 per year thereafter. The annual payment requirements may be subject to change by the PRC Board of Directors.

I agree to provide at least 20 hours volunteer service to PRC per year, which may include assistance with regattas (including the 24 Row-a-Thon), boathouse maintenance or equipment maintenance. As a Master Rower, I will be entitled to the use of the PRC Boathouse and equipment, so long as my use does not interfere with any use by the junior rowers or otherwise become contrary to the directions of the PRC coaches or Board of Directors. This privilege to use the boathouse or equipment is granted solely to me as an individual, and does not apply to storage of equipment or extend to any other person. As a Master rower, I am a member of PRC and subject to probation, suspension or expulsion in accordance with the PRC Handbook.

I certify that: I have read the current PRC Handbook, available at www.pacificrowingclub.org, and agree to comply with the rules, and requirements therein; I have read and signed the USRA Waiver form and agree that those terms apply to all activities in the course of my involvement with PRC; and, I further agree to comply with any instruction or decision of the PRC coaches or the Board of Directors.
