

PACIFIC ROWING CLUB
BOAT STORAGE AGREEMENT

This is to certify that I, _____, am a Master rower in good standing with the Pacific Rowing Club (“PRC”), and have been authorized to store rowing related equipment at the PRC boathouse. Storage of each authorized boat is subject to a pass through of all related rents, presently the \$300/year/boat assessed by the City and County of San Francisco. Storage of my equipment is subject to discretion of the PRC Boathouse Manager, who may select the storage location and move the equipment to satisfy the priorities of PRC’s junior rowing program. The annual payment requirements may be subject to change by the Board of Directors.

This privilege to use the PRC boathouse to store equipment is granted solely with respect to the specific equipment identified below, and is not authorization to store additional equipment. I have noted below whether PRC is allowed to use my equipment for the benefit of the junior rowing program. This privilege may be terminated on 90 days written notice from the Board of Directors, or by me at any time. Termination may be for any reason, including loss of good standing as a Master rower or prioritization of boathouse space at the discretion of PRC.

I certify that PRC, its members and volunteers shall not be liable for any damage to my equipment caused by the negligence of PRC, its members or volunteers.
